

## FROM THE LEFT SEAT

**Bob Anderson**  
Chapter President

With all this great weather I hope some of you have been able to do some flying. Congratulations to Rick he is back to punching holes in the sky with his Europa. "Dues are due" if you have not renewed your membership see Hap.

The Chapter Spring Cleaning Day for the Yolo County Hangar is March 8, 2015 at 9:00 AM. We will have coffee, tea and pastries to inspire and motivate everyone to come out early and start working. The Pancake Breakfast will kick off in April and we want to make sure the hangar is ready. Invite a friend (member or not) to come and work along with you. Music and entertainment will be provided by *DJ BobbyBob*.

A suggestion was made to host a "Hangar Crawl" at Sacramento Executive Airport (KSAC). This is a great idea! We can add a pot-luck lunch too. It would include a walkabout, see airplanes, projects and get to know fellow EAA members and aviators at KSAC. Thom has offer the Cullen James Montgomery Glider as a crawl hanger and I can bring in my Onex Tail Kit. I need a volunteer to coordinate and set up this event. If you are interested in volunteering as chairperson, or you have a great airplane or project you want to display for the hangar crawl and/or know someone give me a call at [858.395.6718](tel:858.395.6718). Suggestions welcome.

# WING FLAP

**EAA Chapter 52 Sacramento, California**

General Membership Meeting turnout is on the light side. As a group we've discussed what the issues are. Why aren't more people coming out for the monthly meetings? Families and guest are always welcome. If it's just that people are too busy, we understand that, but if there's something that's holding you back that we need to address, please let me know. Is there a conflict with the day of the week? Is the time an issue? Let me know. My email address is: [courage1st@gmail.com](mailto:courage1st@gmail.com) or give me a call.

We are still in need of committee chairperson for *Facilities, Wing Flap, Public Affairs, and Fund Raising*.
