## EAA Chapter 52 Sacramento, California

Golden West Regional Fly-in, Yuba County Airport, October 17, 9:00 am to 3:00 pm. ([www.goldenwestflyin.com](http://www.goldenwestflyin.com)). New date, new format! We are still looking for volunteers to help with the KidQuest program in the Honeycutt Aviation hangar. This will be a smaller program than previous years. If you are interested please contact Bob at 858.395.6718. The \$5.00 Parking fee is waived for all volunteers. Fly-in and get a .50 cent per gallon fuel discount on the purchase of 10 gallons or more.

Thanks to Rick, Doc, Dennis and Joe who will be participating in the 4<sup>th</sup> Annual EAA Chapter vs. Chapter Aircraft Competition. If you are interested in participating in Young Eagle Flights contact Les at 530-713-0819 (Paradise EAA 735).

The California Pilots Association ([www.CalPilots.org](http://www.CalPilots.org)) is coming to the Sacramento Executive Airport. On Saturday, October 24, 2015, from 10:00 am to 4:00 pm, Cal Pilots will present "A Capital Idea!" A day for gathering the General Aviation Community for education and entertainment. Hosted at the Executive Jet Center, this 6-hour event will feature presentations by Sacramento Aviator Dann Shively, TV Helo Pilot/Aero Historian, Rod Machado Aviation Educator and Humorist, and Caltrans Division of Aeronautics Chief Gary Cathey. Additionally, the Cal Pilots Annual Members Meeting will take place at 10:30 am. This is a FAA Safety Team "WINGS" Seminar!

I am looking for five (5) volunteers to assist Cal Pilots for various duties. Chapter 52 will provide a spot for a table in the "Aero Showcase" to promote our organization.

Event registration fee of \$10 is waived for all EAA Chapter 52 Volunteers. So no one has to leave the venue in search of food, the Chapter will purchase lunch at the event catered by Aviator's Restaurant for all volunteers.

See you at the next General Meeting and think about joining us on the Board of Directors.

Very respectfully,  
Bob Anderson  
President

Sundays and airplanes go together like pancakes and syrup...

There's simply no better way to spend a Sunday than enjoying Aviation fellowship with family, friends, local pilots, and individuals interested in learning more about aviation. Sunday, October 11 will be our last pancake breakfast for this year. Invite a friend and come out and enjoy the best pancakes this side of the Mississippi River. I have also been told the raffle prizes will be the greatest to date. They have saved the best for last.

I would like to thank Hap for his tireless efforts in preparing for, cooking and cleaning up the grill after each pancake breakfast. This takes a lot of work and logistics. And we all appreciate what you do and your contributions to our Chapter. And, I would like to thank Lola who prepares our bacon prior to the breakfast. Thank you for sharing your time with us. It is greatly appreciated.

Also, we could not support this breakfast if it was not for the outstanding and consistent support from Rick and Gil. They arrive an hour before the breakfast and leave an hour after ensuring cleaning, set-up, and breakdown. Your initiative and commitment to our Chapter reflect great credit upon themselves and upheld the highest traditions of Chapter 52.

Along with the countless volunteers that help out around the chapter. It's truly the heart of the volunteers that shine through and make these events a very inviting atmosphere for all.

Additionally, I would like to thank Thom and Roberta along with the others who have donated items to our Chapter raffle. Without your dedication and thoughtfulness we would not have been able to raise over \$350.00 towards Youth Aviation Programs.
